Greetings Brothers of the 8th District (Home of the Heavyweights),

Ricky L. Lewis Grand Basileus <u>rickylewis@earthlink.net</u>

I want to first and foremost thank you for your service to our beloved Omega and thank your families for allowing you to serve. The State of Omega is great and our brand is strong as we continue to exemplify the tenets of Manhood, Scholarship, Perseverance and Uplift. Thank you for electing me as your 42nd Grand Basileus of our beloved Fraternity and I look forward to serving you for two more years. Let's continue to uphold the precepts of our founders!

Congratulations to the brothers of Gamma Upsilon and Epsilon Psi chapters on hosting the 75th Eight District Meeting. We thank you for your continued commitment to the tenants of our beloved Founders of service to our communities. Having been a District Marshal on two separate occasions, I commend Brother Harry O. Willis for his steadfast leadership as District Marshal.

When I sought to become the 42nd Grand Basileus, I said to you that "**Excellence Is My Starting Point**." I said that integrity and character are paramount. We are keeping that commitment.

In our communities world-wide, we have our mandated programs and we have our recently added programs. We actively do these things – Fatherhood Initiative and Mentoring is now a mandate, searching for and Illuminating Young talent and providing scholarship support – and we do these things not for ego or personal gain – but instead because it is our duty and our charge. Science, Technology, Engineering and Mathematics (STEM) is now a mandate, teaching our young men the importance of embracing technology.

During my administration, we are here to serve you and our communities. We are asking you to serve our communities and make a difference. We **shall not** lose the common touch!

Number 1. Save Our Sons through mentoring, STEM, scholarship offerings and tutoring.

Number 2. Help fathers to be better fathers through our Fatherhood Initiative.

Number 3. Stay engaged with our brotherhood through (BYOMM): Call a brother.

Number 4. Save our HBCUs through regular and consistent contributions.

Number 5. Invest in Omega; pay your fraternity dues and reclaim just one additional brother.

If we resolve to do these five things and do them well, we will continue to see the undeniable fulfillment in our communities and our commitment to taking Omega NEXT LEVEL!

Yours in Friendship, Ricky L. Lewis, Grand Basileus

Brothers of the Eighth District -

I greet you in the name of our Supreme Basileus, our provider, and our rock! I pray for traveling mercies and grace as brothers traveling to and from Wichita, Kansas. I pray that his protection, love, and grace are with us as we assemble to conduct the business of the Mighty Eighth District, Home of the Heavyweights at our 75th Eighth District Meeting.

Allow me to extend my thanks and gratitude for the exceptional leadership of our 75th District Marshal Bro. Harry O. Willis and the brothers of the Gamma Upsilon, Epsilon Psi chapters on hosting. It has been exciting to see not only the support of all the brothers in the Greater Wichita Metropolitan, but the entire state of Kansas. We are excited to be in Wichita, Kansas for this historical 75th Eighth District meeting for the Mighty Eighth District, Home of the Heavyweights.

The Eighth District has continued to thrive and evolved towards being a Mighty, 21st Century Eighth District. We are implementing and executing our strategic plan for the Eighth District. We are focusing on friendship and mentorship to strengthen the Mighty Eighth District, Home of the Heavyweights.

These are challenging times that our communities are facing. We must move as a unit and be the leaders our communities need right now, to fight for our civil rights and liberties. We have been here before and Omega has always led during these times when our civil rights and liberties are threatened.

Brothers, let us continue to make history and not just remember history. Let us be the leaders in this time that calls for our generation to fight for our freedoms. Let us stand united in our Friendships, let us remember how good and how pleasant it is for brethren to dwell together in UNITY!

In Friendship,

Man S. Depup.

Gamma Upsilon Chapter Omega Psi Phi Fraternity, Inc. Eighth District

Welcome Message from Brother Col Johari Hemphill Basileus – Gamma Upsilon Chapter

The men of Gamma Upsilon Graduate Chapter consider it an honor and privilege to serve our community in the name of Omega Psi Phi Fraternity, Inc. We are also humbled, honored, and thankful to celebrate our 75th Chapter Anniversary and the Eighth District's 75th Annual Conference here in Wichita. Our commitment to service and advancing the will of the Brotherhood is something we will always hold near and dear to our hearts.

The Chapter has and will continue to operate with the mindset of a L.E.A.D.E.R.! Every day we will get up ready to LEAD ourselves and those around us and do so boldly; we will do it with ENTHUSIASM, if we are not excited about it, why should anybody else; we will do it with a good ATTITUDE, some days are better than others, but we will choose how we confront it; and DEVELOP ourselves and those around us, as we ENDEAVOR to do great things, and never forget to RESPECT each other, especially when things get tough and do not go as planned. This is what Omega's Founders embodied and what our Charter members emulated!

On December 29, 1949, Bro. Dunbar Reed and Bro. Ambrose Woodard, Sr. and the eight men of the Charter Line pictured above set the brothers of Wichita on a path of greatness by demonstrating how to work together as a unit. Brother Edwards Jones, front row, first from the right is the last living member of the Charter line and worked for Boeing Aircraft Company until his retirement. He celebrated his 96th birthday on February 3rd and will be with us as we celebrate this momentous occasion. Thank you, Brother Jones, for your perseverance.

Long live Omega Psi Phi and the legacy of stalwart brothers of Gamma Upsilon.

Johari Hemphill

GO SHOCKS!

Embark on an extraordinary journey through the storied legacy of Psi Chapter at Morehouse College, one of the oldest undergraduate chapters in the fraternity, with "Soul of Omega." Within its captivating pages lies a narrative that resonates deeply with the spirit of our fraternity and our district.

From the campus of Morehouse to the chapters across the nation, this book encapsulates the timeless essence of our beloved fraternity. Discover the stories of those who paved the way, the milestones we've conquered, and even the connections the chapter has with our beloved Eighth District, such as Bazella G. Rainey (Fall 1926) chartering Chi Phi Chapter, the first chapter in Colorado, and Alvis A. Dunson (Spring 1925) serving as the first graduate advisor for Eta Sigma, the first undergraduate chapter in the District. It's a testament to the enduring impact of our fraternity over the past century.

No matter which chapter you were initiated into, "Soul of Omega" is a celebration of our shared values, brotherhood, and commitment to uplift. This isn't just a book – it's a testament to the strength of our fraternity and the legacy we carry forward. Secure your copy today and be reminded of the proud legacy that unites us as Brothers of Omega Psi Phi!

Blood Donors and Diversity

Here's why a diverse blood supply is important to meet the medical needs of an increasingly diverse population.

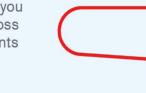

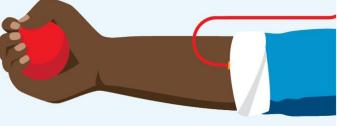

Blood given to patients with rare blood types or conditions such as sickle cell disease must be matched closely to avoid complications.

Beyond A, B, O and AB blood types, there are 600+ known antigens for red blood cells—some of which are unique to specific racial and ethnic groups.

By indicating your race when you donate, you help the Red Cross best meet the needs of patients of all backgrounds.

Dr. Charles Drew First Medical Director of American Red Cross Blood Services

Dr. Charles Drew was uniquely qualified to be the Medical Director of American Red Cross Blood Services. He was a pioneer in the development of the modern techniques of blood collection and plasma processing. And as an African American doctor in a time of legal segregation, he remains a groundbreaking figure in American history.

Dr. Charles Drew was born in 1904 in Washington, DC. A bright scholar-athlete, he received an athletic scholarship to attend Amherst College in Massachusetts. While at Amherst, he joined Omega Psi Phi Fraternity, Inc. After graduating in 1926, he worked at Morgan College in Baltimore, Maryland as an Instructor of Biology and Chemistry and as Director of Athletics.

Thank you to Omega Psi Phi for your partnership. To schedule your lifesaving blood donation or to volunteer, visit www.redcross.org or call 1-800-RED-CROSS
